THE BIRD

The centerpiece of your holiday dinner. We take extraordinary care of your all natural turkey. We rinse them, brine in our secret concoction, and massage them with our seasoned butter. They are ready for your oven sitting on a blend of vegetables and fresh herbs, and we even supply our turkey stock to be sure they stay moist and extraordinarily flavorful. All you do is pop it in the oven, or we can roast it here and wrap it, ready to warm. Nothing on the market will give you a better result, with less stress and aggravation.

READY FOR THE OVEN:

- Smaller (serves 6-8) **\$89.00**
- Mid Size (serves 12-14) **\$107.00**
- Bigger (serves 18-20) **\$151.00**

Absolutely everything you need for a terrific Thanksgiving. No need to read further, simply tell us which size you need, and you are finished.
